2009 Scholarship Winners

Kimberly Beeman and Laura Hayes

Our speaker was Melanie Gurley Keeney, attorney at law with Tueth Keeney Cooper Mohan & Jackstadt, P.C. Melanie spends a large amount of her time as a defense attorney for companies and schools faced with harassment and discrimination charges. She told us several stories of clients and the unusual activities they engage in at work. She also presented us with the definition of harassment and gave us recommendations for what we should do if we feel harassed or discriminated at work. Her first piece of advice...Go to HR.
